

**Love Should
Moby**

(capo 2ª casa)

(intro) **C Am G F**

(verse 1)

C

So we sleep in beds

Am

We never make

Holding close to love

G

Love should fade

F

Holding on to this is the best thing we ll ever do

C

Am

The morning sun is sweet and soft on your eyes

G

Oh my love, you always leave me surprised

I feel my heart start to burst

F

With all my love for you

(refrão)

C

I know how it rains

Am

I know how it pours

G

I never could feel this way

F

For anyone but you

C

I know how it rains

Am

I know how it pours

G

I never could feel this way

F

For anyone but you

(verse 2)

C

So we take some time

Am

And slip away

Holding on to love

G

Love should stay

F

Holding on to you is the best thing I ll ever do

C

Am

The evening sun is sweet and soft in your face

G

So i ll never ever leave this place

I feel my heart start to burst

F

With all my love for you

(refrão)

C

I know how it rains

Am

I know how it pours

G

I never could feel this way

F

For anyone but you

C

I know how it rains

Am

I know how it pours

G

I never could feel this way

F

For anyone but you

(outro) **C Am G F**
