

Mistake

Moby

C

Don t speak to me this way

Em

Don t ever let me say

C

Don t leave me again

Em

Am

Don t leave me again

C

Oh, you never felt this loss before

Em

And the world is closing doors

Em

Am

I never wanted anything more

C

Oh, you never felt this loss before

Em

And the world is closing doors

Em

I never wanted anything more

C

Don t touch me this way

Em

Don t leave me this way

C

Don t hurt me again

Em

Don t hurt me again

C

Don t hurt me this way

Em

Don t touch me this way

C

Don t hurt me again

Em (start strumming.....) **A9 Am**

Don t hurt me again

(strumming chords)

C

Oh You never felt this loss before

Em

And the world is closing doors

Em

Am

I never wanted anything more

C

Oh You never felt this loss before

Em

And the world is closing doors

Em

I never wanted anything more

(strumming slowly)

C

Em

C

Don t let me make the same mistake again

Em

C

Please, don t let me make the same mistake again

Em

C

Don t let me make the same mistake again

Em

Am

Please, don t let me make the same mistake again

(hard again)

C

Oh you never felt this loss before

Em

And the world is closing doors

Em

Am

I never wanted anything more

C

Oh you never felt this loss before

Em

And the world is closing doors

Em

C

I never wanted anything more

(harder)

Em

C

Don t let me make the same mistake again

Em

C

Don t let me make the same mistake again

Em

C

Please, Don t let me make the same mistake again

(slow ending)

Em

Don t let me make the same mistake again...
