## Mistake Moby

Don t speak to me this way

Em

Don t ever let me say

C

Don t leave me again

Em Am

Don t leave me again

C

Oh, you never felt this loss before

Em

And the world is closing doors

Em Am

I never wanted anything more

С

Oh, you never felt this loss before

Em

And the world is closing doors

Em

I never wanted anything more

C

Don t touch me this way

Em

Don t leave me this way

C

Don t hurt me again

Em

Don t hurt me again

C

Don t hurt me this way

Em

Don t touch me this way

С

Don t hurt me again

Em (start strumming....) A9 Am

Don t hurt me again

(strumming chords)

C

Oh You never felt this loss before

Εm

And the world is closing doors

Em Am

I never wanted anything more

C

Oh You never felt this loss before And the world is closing doors Εm I never wanted anything more (strumming slowly) Don t let me make the same mistake again C Please, don t let me make the same mistake again  $\mathbf{Em}$ Don t let me make the same mistake again Am Please, don t let me make the same mistake again (hard again) Oh you never felt this loss before Em And the world is closing doors Em Αm I never wanted anything more Oh you never felt this loss before And the world is closing doors I never wanted anything more (harder) Em Don t let me make the same mistake again EmDon t let me make the same mistake again Please, Don t let me make the same mistake again (slow ending) Εm Don t let me make the same mistake again...
