

Slipping Away

Moby

Bm	A	G
All	that	we needed was right

Bm	A	G
A threshold is breaking tonight		

D Open to everything happy and sad **A**

Em
Seeing the good when it s all going bad
Seeing the sun when I can t really see

D

Hoping the sun will at least look at me

D Focus on everything better today **A**

Em

All that I needed I never could say
Hold on to people, they re slipping away

Hold on to this while it s slipping away

All that we needed tonight
Are people who love us and like
I know how it feels to need
Oh, when we leave here you ll see

Open to everything happy and sad
Seeing the good when it s all going bad
Seeing the sun when I can t really see
Hoping the sun will at least look at me

Focus on everything better today
All that I needed I never could say
Hold on to people, they re slipping away

Hold on to this while it s slipping away

C Em

So long (so long, so long)
