for so long Iâ€™ve let deep forests guard it

in my heart I belong in a house by the sea

they say home is a place where youâ€™re needed
then I am home now but I am leaving
to feel my feet being kissed by the seaweed
and Iâ€™ll be silent and kiss it back
this is not who I want you to see
itâ€™s just adding on weight to the darkness in me
and from the little I have understood
I believe that a house by the sea would do good

they say home is a place you can choose to be
and Iâ€™ve decided to carry home inside me
so itâ€™s not really as if I am leaving
itâ€™s more like something pulling me
â€™cause behind everything that I do
I just want to forget, want to carry this through
fill my lungs with the sweet summer air
in my heart in my mind I am already there

yeah behind everything that I do
I just want to come home and lay down beside you
and then Iâ€™ll be who I wanted to be
in my heart I belong in a house by the sea
