

Cm

You can win if you want
If you want it you will win

Fm

Oh, come on, take a chance for a brand new wild romance

Bb

Take my hand for the night

Cm

And your feelings will be right, hold me tight

Oh, darkness finds you on your own
Endless highways keep on rolling on
You're miles and miles from your home
But you never want to phone your home
A steady job and a nice young man
Your parents had your future planned
Rings on your finger, paint on your toes
That's the way your story goes
