[Intro]
G   D   C Cadd9 C C6add9

[Verse]
G
Blame it on the Tetons
D   **C Cadd9 C C6add9**
Yeah, I need a scapegoat now
G
No, my dog won t bite you
D
Though it had the right to
C   **Cadd9**
You ought to give her credit
 C   C6add9   **G**   **D   C Cadd9 C** C6add9
 cause she knows I would ve let it happen

1x **G   D   C Cadd9 C** C6add9

[Verse 2]
G
Blame it on the weekends
D   **C   Cadd9 C** C6add9
God, I need a cola now
G
Oh, we mumble loudly
D
Wear our shame so proudly
C   **Cadd9**
Wore our blank expressions
C   C6add9
Trying to look interesting

G
Blame it all on me cause
D   **C Cadd9 C** C6add9
God, I need a cold one now

[Solo]
2x **G D   C Cadd9 C** C6add9

[Verse 3]
G
All them eager actors
D   **C**   **Cadd9**
Gladly taking credit for the lines created
 C   C6add9   **G**
By the people tucked away from sight
                  D
Is just a window from the room we re bound to
C   **Cadd9**
If you find a way out
C   C6add9   **G**
Oh, would you just let me know how?
D   **C**   **Cadd9**   C6add9
    Would you just let me know how?
G
Blame it on the web
     D   **C Cadd9 C Cadd9**
But the spider s your problem now
G
Language is the liquid
D
That we re all dissolved in
C   **Cadd9**
Great for solving problems
C   C6add9
After it creates a problem
G
Blame it on the Tetons
D   **G**   (sustain)
God, I need a scapegoat now

[Solo]
2x **G C Am C**(short) **G**

[Verse 4]
G   **C**
Everyone s a building burning
     Am   **C G**
With no one to put the fire out
G   **C**
Standing at the window looking out
Am   **C   G**
Waiting for time to burn us down
G   **C**

```
Everyone s an ocean drowning
        Am                        C G
With no one really to show how
G                         C
They might get a little better air
    Am                              C        G
If they turned themselves into a cloud

[Outro]
4x G   C   Am   C G
```
