I fell in love and

I needed a roadmap

To find out where you lived

So excited now
C **Am** **C** **G**
Sleepwalking, cause I m sleepwalking
The white trash boys
Listen to the headphones
Blasting white noise
In the convenience store parking lot
I hung around there
Wasting my time
Hoping you ll stop by
Cause I m sleepwalking, I m sleepwalking
A mutual friend s parents
Left town for a week

So we raided their liquor stash
And walked down by the riverside
Sleepwalking, cause I m sleepwalking
