

**Trailer Trash**  
**Modest Mouse**

Basically it just uses the chords from Blame it on the Tetons.

**G D C C** x2

[Verse]

**G** **D**  
Eating snow flakes with plastic forks

And a paper plate of course  
**C** **C**  
You think of everything

**G** **D**  
Short love with a long divorce

And a couple of kids, of course  
**C** **C**  
They don t mean anything

**G** **D**  
Live in trailers with no class

God damn, I hope I can pass  
**C** **C**  
High school means nothing

**G** **D**  
Taking heartache with hard work

God damn, I am such a jerk  
**C** **C**  
I can t do anything

**G D C C** x2

[Chorus]

**G** **D**  
And I shout that you re all fakes

And you should ve seen the look on your face  
**C**  
**C**

And I guess that s what it takes

**G**

When comparing your belly aches

**G** **D**

And it s been a long time

**C**

Which agrees with this watch of mine

**C**

And I know that I miss you

**G**

and I m sorry if I dissed you

**G D C C** x2

[repeat whole song again]
