Mogli (Germany)

[Intro]

C G F
C G F
C G F
C G F

[Verse 1]

 C G F
By our lonesome as we roll on endless roads
 C G F
Moving with the wind where hurricanes unload
 C G F
Springing from the glaciers down to fire s land
 C G F G
We re imitating every untamed river bend

[Chorus]

 F Am C G
This could go on and on and on
 F C G
This could go on and on for ever
 F Am C G
This could go on and on and on
 F G
Let s carry on my sweet sweet love

[Instrumental]

C G F
C G F

[Verse 2]

 C G F
One fleck of honey underneath the western sky
 C G F
Illuminating milky dunes at night
 C G F
You taste like winter and the middle of july
 C G F G
As we re walking on the moon all there s left is you and I

[Chorus]

 F Am C G
This could go on and on and on
 F C G
This could go on and on for ever
 F Am C G
This could go on and on and on
