Mogwai - Cody

Very easy song this one, played on a clean electric with a dash of reverb.

G - 3 2 0 0 0 3
Em - 0 2 2 0 0 3

Sometimes in the chorus, the G alternates between 3 2 0 0 0 3 and Gsus4, 3 2 0 0 1 3.

There seems to be no pattern to this so just listen to the song to see when Stuart does it,
or throw the Gsus4 in as and when you feel like it.
