Tao Te Ching

Chapter 79 - Repay bitterness with good

If youâ€™ve had a real set-to with someone
And youâ€™ve tried to patch it up -
And thereâ€™s still some bitterness, what can you do?

I tell you: repay bitterness with good.

Those who practice Te hold credit
- but donâ€™t demand repayment.

Those who practice Virtue do their bit
- and those without it will expect you to .

The Tao of Heaven
doesnâ€™t deal in nepotism -
it just graces good people, like it always has and will.
