

## Leaves

Moira Dela Torre

Capo on 1

[Intro]

**A D A**

[Verse I]

**A E**  
I can think of all the times  
**D D**  
You told me not to touch the light  
**A D**  
I never thought that you would be the one

**A E**  
I couldn't really justify  
**D D**  
How you even thought it could be right  
**A E D**  
Cause everything we cherished is gone

[Pre-Chorus]

**Bm E**  
And in the end can you tell me if  
**D**  
It was worth the try  
**D**  
So I can decide

[Chorus]

**A E D D**  
Leaves will soon grow from the bareness of trees  
**D A E E**  
And all will be alright in time  
**A E D D**  
From waves overgrown come the calmest of seas  
**D A E E**  
And all will be alright in time  
**Bm A A E D**  
Ohh you never really love someone until you learn to forgive

[Verse II]

**A E**  
Try as hard as I might  
**D D**  
To flee the shadows of the night  
**A E D D**  
It haunts me and it makes me feel blue

**A** **E**  
But how can I try to hide  
**D** **D**  
When every breath and every hour  
**A** **E** **D** **D**  
I still end up thinking of you

[Pre-Chorus]

**Bm** **E**  
And in the end everythng we have  
**D**  
Makes it worth the fight  
**D**  
So I will hold on for as long

[Chorus]

**A** **E** **D** **D**  
Leaves will soon grow from the bareness of trees  
**D** **A** **E** **E**  
And all will be alright in time  
**A** **E** **D** **D**  
From waves overgrown come the calmest of seas  
**D** **A** **E** **E**  
And all will be alright in time  
**Bm** **A** **A E D**  
Ohh you never really love someone until you learn to forgive

**A E D**  
Forgive (x3)

[Chorus] (Capo change to 2)

**A** **E** **D** **D**  
Leaves will soon grow from the bareness of trees  
**D** **A** **E** **E**  
And all will be alright in time  
**A** **E** **D** **D**  
From waves overgrown come the calmest of seas  
**D** **A** **E**  
And all will be alright in time

**A** **E** **D** **D**  
Wounds of the past will eventually heal  
**D** **A** **E**  
And all will be alright in time  
**A** **E** **D** **D**  
Cause all of this comes with a love that is real  
**D** **A** **E** **E**  
I said all will be alright in time (x4)

[Outrol]

**Bm** **A** **A E D**  
Ohh you never really love someone until you learn to forgive (x3)
