Intro- Play a soft E through the intro

First Verse

E **D**
I d walk the water to get back to you
A
and where I was complete
E **D**
We found you scattered by the highway side
A
too soon to be released
E **D**
Gathered the pieces up and clean the places
A
where you were undone
E
And washed the wreckage out
D **A**
Unfinished all the thoughts that we d begun

Pre-chorus

C#m **B** **G#**
I came to burn the sky and tear away
A
the beauty that it sews
C#m **B**
If I could rape the day
G# **A**
and find the things I thought I d always known

Chorus 1

C#m **B**
Leave it alone again tonight
G# **A**
Leave it alone again tonight

2nd verse

E **D**
I laid your arms out long untwisted there
A
and shaped what I could find
E **D**
Unmade the most of it then left the rest
A
the parts unrecognized
E **D**
My reconstruction was the only way
A
for one last look at you
E
I lost the sense of it
D **A**
the absolution that we never knew

Leave it alone again tonight
