Mojave 3

Ask Me Tomorrow

This is how I play it. My guitar is tuned to 440hz=A, which is evidently not what Neal Halstead s is tuned to, because no key I tried sounded right. Eb sounded closest, so that s how I play it. Just a heads-up: it may not sound exactly right with the record.

Capo 3

Chords (relative to capo):

C (x32010)

F (133211)

G (320003)

Am (x02210)

Intro: **C F G C**

F

She looks just like an angel

C

As she walks across the room

G

She shines tonight, her golden light

C

Is everything I need

F

Lovers gather round her

C

She wears them like her jewels

G

My friend says she s all he needs

C

To feel alive

F

Love songs on the radio

Am

His sweetheart lies in bed

G

Dreaming of the things he said

C

And hoping that it s meant

(Instrumental verse - **F C G C** x2 **F Am G C** x1)

F

Love songs on the radio

C

His sweetheart lies in bed

G

She's dreaming of the things he said

C

And hoping that it's meant

F

She looks just like an angel

Am

As she walks across the room

G

She shines tonight, her golden light

C

Is everything I need

(Instrumental verse to fade)

End on C.

Simple. And that C in the second chorus,
where the Am was in the first, is intentional.
