[Standard Tuning] EBGDAe

[INTRO]

**G C9** (3x)

[Verse]

**G Am C**  
Have you ever felt being there?  
**G Am C**  
Have you ever found the sunshine on your hair?  
**G Am C**  
Have you been under your skin?  
**G Am C**  
Have you ever found the beauty from within?

[REFRAIN]

**Em G C**  
Like an unfamiliar song  
**Am Em**  
You can hum with all your heart  
**C D**  
But you ll never find the words

[CHORUS]

**G Am C**  
And I don t wanna wake up  
**G Am C**  
Without you again, without you again, without you again  
**G Am C**  
And I don t wanna wake up  
**Em D C**  
Feeling so close, close to the end, close to the end...  
**G Am C G Am C**  
close to the end.

[VERSE 2]

(Do chord pattern of verse)

Have you ever thought of nothing else?  
As I wake up each day until the moment I lay my head on my bed  
And as I close my eyes and cling to my pillow  
Though you re miles away I still wait for the day that would never come

[REFRAIN]

**Em**            **G**            **C**  
Like an unfamiliar song  
                 **Am**            **Em**  
You can hum with all your heart  
                 **C**            **D**  
But you ll never find the words

[CHORUS]

**G**            **Am**            **C**  
And I don t wanna wake up  
                 **G**                            **Am**                            **C**  
Without you again, without you again, without you again  
         **G**            **Am**            **C**  
And I don t wanna wake up  
                 **Em**                            **D**                            **C**                            **Em**            **C**  
Feeling so close, close to the end, close to the end... baby, oohhh...

[BRIDGE]

**C**                            **Em**            **G**  
The stars are bound to die  
         **Am**  
It all makes no sense  
         **Am**  
I can t take the chance  
         **C**                            **D**  
I don t want to see you go, see you go...

[CHORUS]

**G**            **Am**            **C**  
And I don t wanna wake up  
                 **G**                            **Am**                            **C**  
Without you again, without you again, without you again  
         **G**            **Am**            **C**  
And I don t wanna wake up  
                 **Em**                            **D**                            **C**  
Feeling so close, close to the end, close to the end...  
                 **G Am C G Am C**  
close to the end.

[OUTRO]

**G Am C G Am C**  
(without you again...)
