I personally only play powerchords but that s your own choice to make :)

Intro

No chords played

I am burning the ground, waiting for something
You kept me locked up, let me out
Been hanging around, we are stopping for nothing
Oh, you got me non stop banging down

Time to go faster, you have got that long lost in your eyes
It is the moment that you are after, no surprise
We are back in the beginning, we spent a long time chasing the ghost
And it is only now we are winning, they come close, to you
And me I know

I am burning the ground, waiting for something
You kept me locked up, let me out
Been hanging around, we are stopping for nothing
Oh, you got me non stop banging down
