This is a half step up from the album version, because the day I made it it out youtube was being weird and playing a half step down. maybe someday I will change it.

if you can see the strong and wearied starlight

**Eb Ab Bb**

riding on mountains of the night astride

**Cm Ab Bb**

and as you stand alone within the breathing darkness

**Cm D Gm Cm**

ill be at your side

**Bb F**

if you can look

**Eb**

on this unchanging sunlight

**Ab Bb**

one second fully when the day is new

**Cm Ab Bb**

and as the burning coin dazzles beneath your eyelids

**Cm D Gm Cm**

i shall look at you

**Bb F**

and if you can run

**Eb Cm**

where wind may beat about you

**Gm Bb**

out on the hill where shadows race

**Cm F G**

touching grass, touching trees

Gm Eb Dm Cm

and the edge of water

Cm

i shall touch

F

your face

Bb

though all the lands of heaven and earth divide us

Eb

Ab

Bb

though distance is a dark unbroken tether

Cm

Ab

Bb

if you can walk within the same remembered music

Cm

Gm

Cm

Gm

we can walk, we can walk

Cm
