CAPO 3RD

I appreciate these chords are probably mislabeled especially D/Gsus, I don't actually know what the proper chord names are, but the tab below gives the correct chords corresponding to those that I've scribed. It also shows where hammers are used. I've not tabbed the solo parts - for this, strumming pattern and extra hammers check out the vid on youtube.

<b>Em7</b>	<b>C2</b>	<b>G</b>	<b>Dsus</b>	<b>Em7</b>	<b>Gsus</b>
e-----3-----3-----3-----3-----3-----3-----X-----					
b-----3-----3-----3-----3-----3-----3-----X-----					
g-----0-----0-----0-----0-----0-----0-----X-----					
d-----2p0-----2p0-----0-----0-----0-----1-----1-----					
a-----2-----3-----2-----0-----0-----0-----0-----					
E-----0-----0-----3-----2h3-----x-----2-----					

**Em7** **C2**  
The life in us is like the water in a river

**G** **Dsus**  
It may rise this year, it may rise higher  
Than man has ever known

**Em7** **C2**  
It may come to pass that immortal flowing river

**G** **Dsus**  
May rise so high, flood the mountainside  
To the valleys down below

**Em7 C2 G Dsus**

(Chorus 1)

**Bm** **C** **G** **Dsus**  
The land where we dwell has not always been dry I see

**Em7** **C2** **C2** **Gsus** (lightly)  
Far inland banks that were washed by the ancient stream

(Solo - not tabbed)

**Em7** **C2**  
The sun up above shines its fury on the prairie

**G** **Dsus**  
You can't hide from it, you can try it  
But you'll never get away

**Em7** **C2**  
And they sow the fields but the clouds have all forsaken  
**G** **Dsus**

And they ve taken all, no more water fall  
Til the earth has turned to clay

**Em7 C2 G Dsus**

(Chord pattern repeats, same as above)

(Chorus 2)

Long after we re gone still the earth will turn round and round  
and all we ve created will crumble into the ground

I see it all from where I m standing on the mountain  
Hear the valleys cry, still some question why and they cannot see the way  
We re digging graves every day they re getting deeper, for the birds that fly  
through the darkened sky, will there be another day?

(Chorus 1)

The life in us is like the water in a river  
It may rise this year, it may rise higher  
Than man has ever known
