

Golden Lonely
Moneybrother

Bm

You breaking up my happy home (it just don t work that way)

F#m

I can see where this is turning now

Bm

Just a look and there you go (it just dont work that way)

F#m

All that I was building s burning down

C#m

Bm

Why you doing this to me (aint supposed to be like that)

C#m

Bm

Make me suffer endlessly

D

C#m

Bm

With one hand on my shoulder

D

C#m

Bm

A quick goodbye it s over

Bm

Seven days is much too long (it just don t work that way)

F#m

What s the point in me returning now

Bm

Just a week ago I d sworn (it just don t work that way)

F#m

Ain t no way that this is ending now

C#m

Bm

Time and Time again (aint supposed to be like that)

C#m

Bm

Going through what I can t stand

D

C#m

Bm

With one hand on my shoulder

D

C#m

Bm

A quick goodbye it s over

A

Walking out that door

D

A

D

Once, my friend, but not no more

Interlude: **C#m - Bm - C#m - Bm**

C#m **Bm**
Time and Time again (aint supposed to be like that)

C#m **Bm**
Going through what I can t stand

D **C#m** **Bm**
With one hand on my shoulder

D **C#m** **Bm**
A quick goodbye it s over

A
Walking out that door
D **A** **D**
Once, my friend, but not no more

A
This can t be true
D **A** **D**
Oh, baby, it was you

Bm
Girl you left me lonely
D
Right down there lonely
A
And I wish you were lonely too
Bm
Girl you left me lonely
D
Right down there lonely
A
And I wish you were lonely too

Bm
Shot through the heart and left to die
D
Wasted in the streets I cried
A
how I wish you were lonely too

Bm
Shot through the heart and left to die
D
Wasted in the streets I cried

A Ending: - **G F#m A - G F#m A - Bm Bm A - G ...A**
-
how I wish you were lonely too
