Things that changed, it's not the same

Where would I be,

if you hadnâ€™t discovered

Which I did, inside of me I know there was something, that we could compare

I never meant to cause you no pain                    I just

Before you      walk out of my                    life

Remembering the good times  
From a portrait hung on high  
Itâ€™s filled with so much color  
And the laughter we left behind  
I made the choice and you couldnâ€™t decide  
I made the choice, I was wrong you were right  
Deep down inside, I apologize  
(rpt 1)

Though I made plans with you  
To always have time for you  
(before you walk out of my life)  
I guess itâ€™s true, cannot live without you  
Donâ€™t ever go away, ooh oh yeah  
(rpt 1, 1)

Before you walk out of my life
