Solos are easy

1st Solo

2nd string: something like 5-3-5-6-5-3-1-3 (X2)

2 Solo

1st String: something like 8-7-5-7-8-10-8-7 7-5-4-5-7-5s17

Just hit each note several times and use your ear a little bit. It s easy.
