Tell me you love me baby
Iâ€™ve got this world to show you
You can leave everything you got behind

Oh oh-h

We donâ€™t need a plane to get there
Cause Iâ€™ve got this glow inside me
But itâ€™s only shining when youâ€™re around

All that you want is waiting
I know each path to get there
Follow white rabbit and lock the door

Oh yeah-h

You will be without me baby
Cause Iâ€™ve got this flow about me
But Iâ€™m only gliding when youâ€™re around

Mhm-h

Cause weâ€™ve got flowers everywhere
Caterpillars over there
All you need just make a wish
Now just close your eyes
Youâ€™re living now in wonderland

Whoah-oh-oh

Youâ€™re living now in wonderland

Whoah-oh-oh

Oh-oh ah-oh

Hey-eh

Living in wonderland

When we collided baby

I knew a star was shining

We didnâ€™t even leave a single piece behind

Oh-no-h

We donâ€™t need to take a picture

Cause Iâ€™ve got this brush inside me

I can paint a rose any style you like

Oh-yeah-h

Tell me you love me baby

Cause this is my world to show you

We can have a tea time any time you like

No-oh no-no-no

All you need is love to be here

Royal hearts will kneel before you

Fairytales are made so that youâ€™ll come to life

Li-ife

Weâ€™ve got mountains high up there

Miles of oceans over there

All you need just make a wish

Now just close your eyes
