

Nothing In Return

Monsune

Interviewer: Why the name, Monsune?

Monsune: For a while, I was trying to think of names no one else had thought of
like, I was in bed, and I
just thought of it. When I went on Spotify to look up whether or not it was
taken, it wasn't, so. Also, it
kind of sounds Asian. I thought it sounded cool.

Would you give me nothing in return?

If you could take the blame
