E5 Esus4

I m one of those who believe things happen

E* Esus4

because they're supposed to

E5 Esus4

And I guess that would explain why the sound of my name

E* Esus4

from your lips makes me feel the way I do

A6/9 Emaj7

Aadd9 Emaj7

To the new boy in the spotlight

A6/9 Emaj7

Baby come along and finish what you started with me tonight

E5 Esus4 E* Bsus4 x2

I was standing on a bridge in Paris thinking about
the way your hair falls around your face

Before the moment was gone the night came on strong and I lapsed into a state of

grace

Now it s you whose in the spotlight
Deep blue turning star bright
And I know that you are just my type
Cause your eyes say the words that in the past were hard to find

And it s alright uh huh
Yeah it s just the way I never really thought it could be
Alright
Uh huh
Baby come along and finish what you started with me tonight

Bsus4 **C#m7** **E5** **Asus2**
Falling are the leaves and so am I for you
Bsus4 **C#m7** **E5** **Asus2**
Flash me that smile and wink your eye the way you do
Bsus4 **C#m7** **E5** **Asus2**
My love is unconditional and it will not be denied

And it s alright uh huh
Yeah it s just the way you never really thought it could be
Alright
Uh huh
Baby come along and finish what you started with me tonight
And it s alright
it s alright
it s alright
