the way your hair falls around your face
Before the moment was gone the night came on strong and I lapsed into a state of

grace

Now it s you whose in the spotlight
Deep blue turning star bright
And I know that you are just my type
Cause your eyes say the words that in the past were hard to find

And it s alright uh huh
Yeah it s just the way I never really thought it could be
Alright

Baby come along and finish what you started with me tonight

Csus4 **Dm7** **F5** **Bbsus2**

Csus4 **Dm7** **F5** **Bbsus2**
Flash me that smile and wink your eye the way you do
Csus4 **Dm7** **F5** **Bbsus2**
My love is unconditional and it will not be denied
