 the way your hair falls around your face
 Before the moment was gone the night came on strong and I lapsed into a state of

grace

Now it s you whose in the spotlight
Deep blue turning star bright
And I know that you are just my type
Cause your eyes say the words that in the past were hard to find

And it s alright uh huh
Yeah it s just the way I never really thought it could be
Alright
Uh huh
Baby come along and finish what you started with me tonight

Asus4 **Bm7** **D5** **Gsus2**

Asus4 **Bm7** **D5** **Gsus2**
Flash me that smile and wink your eye the way you do
Asus4 **Bm7** **D5** **Gsus2**
