F#* **F#sus4**

F#* **F#sus4**
 from your lips makes me feel the way I do

I was standing on a bridge in Paris thinking about
the way your hair falls around your face
Before the moment was gone the night came on strong and I lapsed into a state of

grace

Now it s you whose in the spotlight
Deep blue turning star bright
And I know that you are just my type
Cause your eyes say the words that in the past were hard to find

And it s alright uh huh
Yeah it s just the way I never really thought it could be
Alright
Uh huh
Baby come along and finish what you started with me tonight

C#sus4 **Ebm7** **F#5** **Bsus2**
Falling are the leaves and so am I for you
C#sus4 **Ebm7** **F#5** **Bsus2**
Flash me that smile and wink your eye the way you do
C#sus4 **Ebm7** **F#5** **Bsus2**
My love is unconditional and it will not be denied

And it s alright uh huh
Yeah it s just the way you never really thought it could be
Alright
Uh huh
Baby come along and finish what you started with me tonight
And it s alright
