Tell me everything you do is for a reason.
F **G**
Tell me that you re teasing.
F **G**

F **G** **Bb F G Bb F G**
And it feels like open season on me.

I find your hotel in the cleanest part of hell.
I ponder existence in a Mexican jail.
But I show some restraint, the compassion of a saint.
This whole situation s my only complaint.
So, I pace the lobby floor, watch the elevator door.
And wait as it opens to find what s in store.

Lie to me.

Tell me everything you do is for a reason.
Tell me that you re teasing.
It s not me you re pleasing.
F **G** **C** **C/A**
And it feels like open season on me.
