My heart beats slow. My head hangs low.

We ll start it all over, and forget the past.

D E A A/A
Lie to me.
D **E** **A** **A/A**
Tell me everything you do is for a reason.
D **E**
Tell me that you re teasing.
D **E**
It s not me you re pleasing.
D **E** **G D E G D E**
And it feels like open season on me.

I find your hotel in the cleanest part of hell.
I ponder existence in a Mexican jail.
But I show some restraint, the compassion of a saint.
This whole situation s my only complaint.
So, I pace the lobby floor, watch the elevator door.
And wait as it opens to find what s in store.

Lie to me.
Tell me everything you do is for a reason.
Tell me that you re teasing.
It s not me you re pleasing.
D **E** **A** **A/A**
And it feels like open season on me.
