F# G# B F# G# B F# G#
And it feels like open season on me.

I find your hotel in the cleanest part of hell.
I ponder existence in a Mexican jail.
But I show some restraint, the compassion of a saint.
This whole situation s my only complaint.
So, I pace the lobby floor, watch the elevator door.
And wait as it opens to find what s in store.

Lie to me.

Tell me everything you do is for a reason.
Tell me that you re teasing.
It s not me you re pleasing.
F# G# C# C#/A
And it feels like open season on me.

Tell me that you re teasing.

It s not me you re pleasing.

F# G# B F# G# B F# C#

And it feels like open season on me.
