

Rendition Of You
Monte

/* **Gm Gm Gm Bb F** */ Three times

Gm **Bb F**
I would walk through darkened alleys
Gm **Bb F**
just to catch a glimpse of you
Gm **Bb F**
And I would would crawl for a hundred years
Gm **Bb F**
if only I could get to spend a day with you

Ref.:

Eb **Dm**
See my rendition of you
Gm **F**
won t always echo the truth
Eb **Dm/F**
Because my rendition of you
Gm **F**
was made by me for my own use

Gm **Bb F**
And I would take on any mission
Gm **Bb F**
to save you from a world astranged
Gm **Bb F**
If you would only share my vision,
Gm **Bb F**
the two of us could slip away

Ref.

Dm

Gm **Bb F**
Our lives been like an intermission
Gm **Bb F**
ever since I flew to watch your flame
Gm **Bb F**
It s strange the way we see eachother
Gm **Bb F**
I suspect that you don t know my name
