

Roll With Me
Montgomery Gentry

No Capo

[Intro]

G D Em A G D Em

[Verse]

G D
Wake up in the morning

Em A
Get to living my life

G D Em
Making sure that I'm all that I can be

G D
Went to church on Sunday

Em A
There was a moment that came

G D Em
I swear it was like the Lord spoke right to me

[Chorus]

G D
So now I'm slowing it down and I'm looking around

Em D
And I'm lovin' this town and I'm doing alright

G D Em
Ain't worried bout nothing except the man I wanna be

G D
I'm thinking maybe it's time to be livin' the rhyme

Em D
When I'm singing a song about nothing but right

Em A G D Em D
And it'd sure be nice if you would roll with me

[Verse]

G D Em D
Saw a kid last winter only twenty years old

G D Em
Being laid to rest while his mom stood by his side

G D Em D
Sure was hard to watch those tears roll down her face

G D Em
Made me think how we all just have our time

[Chorus]

G D
So now I'm slowing it down and I'm looking around

Em D

And I m lovin this town and I m doing alright
Aint worried bout nothing except the man I wanna be
I m thinking maybe it s time to be livin the rhyme
When I m singing a song about nothing but right
And it d sure be nice if you would roll with me

[Solo]

G D Em D G D Em

[Bridge]

Who knows whatâ€™s up ahead
I think I d rather not know instead

[Chorus]

So now I m slowing it down and I m looking around
And I m lovin this town and I m doing alright
Aint worried bout nothing except the man I wanna be
I m thinking maybe it s time to be livin the rhyme
When I m singing a song about nothing but right
And it d sure be nice if you would roll with me

[Outro]

I m thinking maybe it s time to be livin the rhyme
When I m singing a song about nothing but right
And it d sure be nice if you would roll with me
