Like clockwork everytime he see s an opening,

[Verse 2]
Cadd9
                                C7M
 I just roll my eyes and make a B-line for the door,
                C
                                     C7M
I d always end up stary eyes and cross legged on the floor,
                   F7Madd13 - F7M - F7M/5
Hangin onto every word,
                   Cadd9 - C - C7M - C
man the things I heard,
[Pre-Chorus]
It was harder times and longer days,
Five miles to school uphill both ways,
We were cane swtiched raised and dirt floor poor,
Course that was back before the war,
Yea your uncle and I made quit a pair,
Flyin F-15 s through hostile air,
He went down but they missed me by a hair,
```

He d always stop right there and say,

```
[Chorus]
That s something to be proud of,
That s a life you can hang your hat on,
as your chins held high as the tears fall down,
gut sucked in, chest stuck out,
Like a small town flag a flyin,
Or a new born baby cryin,
In the arms of the woman that you love,
                              C - F
That s something to be proud of,
[Verse 3]
Son graduatin college, that was momma s dream,
And I was on my way to anywhere else when I turned Eighteen,
that s when I got a fast car, and think you got everything,
[Verse 4]
I learned real quick those GTO s don t run off faith,
I ended up broke down in some town north of L.A.
Working maximum hours, for minimum wage,
[Pre-Chorus]
I fell in love next thing I know,
Babies came and the car got sold,
Sure do miss that old Hot Rod,
But you sure save gas in them foriegn jobs,
Dad I wonder if I ever let you down,
If you re ashamed how I turned out,
Well he lowered his voice, then he raised his brow,
Said let me tell you right now,
[Chorus]
That s something to be proud of,
That s a life you can hang your hat on,
No need to make a million just be thankful to be workin,
```

```
C
If you re doin what you re able,
Puttin food there on the table,
And providing for the family that you love,
That s something to be proud of,
[Bridge]
And before you ever really do is the best you can,
 Well you did it man,
[Chorus]
That s something to be proud of,
That s a life you can hang your hat on,
as your chins held high as the tears fall down,
gut sucked in, chest stuck out,
Like a small town flag a flyin,
Or a new born baby cryin,
In the arms of the woman that you love,
That s something to be proud of,
```
