

Crimson
Morcheeba

Intro: **Am** - **F** - **Dm** - **Am**

verse 1:

Am
On the roadside by the wreckage
F
With my head in my hands
Dm
Wish I d never got your message
Am
Felt too late to change our plans

Am
I can smell the good years burning
F
And it won t fade away
Dm
Windscreen broken, you re bleeding
Am
All in action replay

A **C** **G** **D**
Hell bound, hopeless for you
F **C**
Nothing left to hold onto
A **C** **G** **D**
Hell bound helpless, it s true
 F **C**
This crimson crystal view

verse 2:

Am
There s wild berries in the hedgerow
F
All I need is a drink
Dm
Got to soothe my shattered senses
Am
Please forgive me, time to think

Am
Down the dusty trails of treason
F
Lies a dangerous game, there s a danger
Dm
Sunshine suicide survivor
Am
Wasted angel numb the pain, so wasted

A C G D
Hell bound, hopeless for you
F C
Nothing left to hold onto
A C G D
Hell bound helpless, it s true
