

Over And Over  
Morcheeba

Verse 1

**Am**  
Wakin /bakin to these sounds again I wonder how I ll sleep

**Am**  
Passing out is taking off into the stubborn deep

**Am**                                **C**                                **E**  
I d like to meet a human who makes it all seem clear

**Am**                                **C**    **E**  
To work out all these cycles and why I m standing here

I m falling...  
          **F**                                **Am7**                                **G**                                **E7**                                **Am**
