[Intro]

[Em7] [A9] 2 times

[Verse 1]

[Em7] [A9]

Flocking to the sea.

[Em7] [A9]

Crowds of people wait for me.

[Em7] [A9] [Em7]

Seagulls scavenge steal ice cream

[A9]

Worries vanish within my dream

[Chorus]

[E] [A] [G] [Bm] [Bmadd11] [E]

I left my soul there down by the sea

[A] [G] [Bm] [Bmadd11]

I lost control here living free

[E] [A] [G] [Bm] [Bmadd11] [E]

I left my soul there down by the sea

[A] [G] [Bm] [Bmadd11]

I lost control here living free

[E*2] [D6sus2] [Aadd9] [G6]

[Verse2]

Fishing boats sail passed the shore

No thing amazing anymore

The sun is shining the waters clear

Just you and I walk along the pier

[Chorus]

[Solo]: [E*2] [D6sus2] [Aadd9] [G6] times 2

[F#7] [Aadd9] [G6] [E*2] [D6sus2] [Aadd9] [G6]

[Em7] [A9] 2 times

[Verse3]

The cool breeze flows benign the wasp

Sun gets down it s worth the cost

Id love to stay, the city calls me home,

More hassles fuss and lies on the phone

[Chorus 2 times]

[A*2] [G*2] [F#7] [E*2]

I lost control here living living living living, by the sea...
