

Undress Me Now
Morcheeba

verse 1

Cm **D#maj7**
using your mind
Cm **D#maj7**
imagine our skin
Cm **D#maj7**
joined at the hip
A#maj7 **Fmaj7**
joined from within

so give me a light

or give me a drink

just give me a reason

to feel what I think

Cmaj7	Gm7	Fmaj7
undress me now, you know how		
using your eyes, now		
Cmaj7	Gm7	Fmaj7
undress me now, you know how		
using your mind		

Interlude: Am

Chorus 3

undress me now, you know how
using your eyes,now

undress me now, you know how
using your mind
losing my mind

undress me now, you know how
using your eyes,now

undress me now, you know how

you know how , you know how

you know how , you know how
