Verse 1

**C / F / G / C \ / \ / **

Listen Friends.

Lots of different people on the streets
wiping car glass windows.

This is what they do day to day
just to get a little food to eat.

Then you have others wearing suit and tie,
work a good nine to five.

And they take it for granted
that they re living a better life.

Verse 2

**c / F / G / C \ / \ / **

I say the color of our skin
don't mean a thing
if we do good or commit to sin.
We're all judged by the same,
and Jah is his holy name.
So let's all be aware
of how we entertain angels unaware.
For angels do move through men,
whether here or from there.

Chorus

G / \ / \ G / \ / \ G / \ / \ C // B / D ///

A man is still a man
whether him wear jacket and tie,
or walk barefoot.

The only difference
is whether him good or evil.

G / \ / \ G / \ / \ G / \ / \ C // B / D ///

A man is still a man
whether him rich or poor
black or white for sure.

The only difference
is whether him good or evil.
