

**Be a Man**

**Morgan**

I am sailing, unknown  
Where I m going was so bright but it s late at night

C#m G#  
A tinkling light, keeps the track of the time  
A E F# C#m  
I wouldn t know you were so far  
F#  
And now that I m lost  
A  
I feel they tricked me  
C#m F#  
I said, I don t care  
E  
You know it s too late, babe  
G# C#m  
And I am too tired to run on faith

INTERLUDIO: E F# C#m

C#m  
And I fought  
G#  
Yeah, I fought the certainty  
A  
Oh oh oh, I fought beliefs  
E F# C#m  
I fought the fears  
C#m G#  
When I turned the helm I found hell  
A E F# C#m  
The way back was rain and death  
F#m  
And now things have changed  
A C#m  
Was too much time waiting to say  
F#  
I don t care

E  
But know it s too late  
G# C#m  
And I am too tired to run on faith

E      F#      C#m  
To run on faith  
         F#m  
Cause now that I m lost  
         A  
I feel they tricked me  
         C#m              F#  
I said, I don t care  
         E  
Cause now it s too late, babe  
         G#                      C#m E F#  
And I am too tired to run on faith

INSTRUMENTAL: C#m   F#m   A  
                 C#m   F#  
                 E   G#   C#m   C#m

         F#m  
Cause now that I m lost  
         A  
I feel they tricked me  
         C#m              F#  
I said, I don t care  
         E  
Cause now it s too late, babe  
         G#                      C#m E F#  
And I am too tired to run on faith
