```
            F#
Let me try over and over
        C#
Let me fail
       C#
Once again
                          D#m
Let me have one more chance
```

```
                            F#
It s not worth trying to stop me
        C#
I want it
             C#
I ll go for it
                      D#m
And I won t miss the chance
                   C#
I won t miss the chance, No!
```

```
                          F#
Cause I don t want to be afraid
   G#m
To be
        D#m   C#
At last free
        C#     D#m
Flying peacefully
```

```
             F#
Sometimes the abyss scares
F#       G#m
But I don t want to feel afraid
G#m          D#m
I ll find a way
   C#
To be
       C#m D#m
Finally free

                              F#
Let me try to climb this mountain
       C#
Let me fall
          C#
And if i fall
                    D#m
I will try to get up

                            F#
I just want to have my freedom
       C#
Own my rights
                   C#
Take care of my mind
              D#m
And try to be kind
          C#
Try to be fine

                       F#
I don t want to be afraid
F# G#m
To be
        D#m C#
At last free
        C#m    D#m
Flying peacefully

                F#
Sometimes the abyss scares
F#       G#m
But I don t want to feel afraid
            D#m
I ll find a way
   C#
To be
        G#m D#m
Finally free
C#
Oh I ll be using my wings
                D#m
Flying peacefully
