INTRO: G

G  
Falling star, falling from heaven  
G  
Magical through the night  
G  
Everyone s with you cause you re guiding us  
G  
From the very beginning of times

G  
Falling star, falling from heaven  
G  
Travelling through the night  
G  
Everyone s happy they re taking a chance  
G  
But they will never understand

D# Gm  
Falling star take our wishes  
F Gm  
Even the hopeless want to try  
D# Gm  
But how can you make em happen  
F D#  
If you re only rock and dust?

D# Gm  
How many hearts you ve broken?  
D# Gm  
How many dreams came true?  
D# G  
Sing a song for the hopeless  
F Gm  
They re singing a song for you

G  
Breathing the air of the summer  
G  
Waiting for you to show up

G  
Don t wanna miss it cause everyone knows  
G  
In a blink of an eye, you re gone

G  
So many times of failure  
G  
Trying and trying so hard  
G  
The falling stars cannot hear us  
G  
Only the darkness does

D# Gm  
Falling star take our wishes  
F Gm
