

Marry You

Morgan

En guitarra se puede poner cejilla en traste 1
y transponer los acordes medio tono abajo

D#

I don t know you

C#

And you don t know me

G#

D#

But this, is happening

You kiss me wild

C#

But you?said

G#

This?is the last?time wild my friend

Never said that?it was gonna be

D#

At first

D#

So if you ask me i ll?say

Fm

Uh,?I?want to marry?you

G#

I want to?look through in your eyes

A#

D#

And give love to you, tonight

D#

Baby, the truth is that

Fm

I m scared being in love

G#

Cause I know

A#

That I don t want to marry you

D#

At all

D#

I don t know you

You don t know me

But what if this is

C#

The time to leave it?

G#

Give us a chance

D#

Let s pretend

D#

Cause I know maybe I m crazy

Know that I m not fine, I know

C#

That I can t keep this moment

Just opening my mouth

G#

I m wasting my time

But i really need to feel that I deserve

A#

If you watch me I ll say

D# Fm

Uh, I want to marry you

G#

I want to look through your eyes

A#

And give love to you

D#

For the rest of my life

D#

Baby, the truth is that

Fm

I m scared of being in love

G#

Cause I know you

And I m sure

A#

That I don t want to marry you

D#

At all

So if you ask me I ll say

G# A#

Uh, I don t want to marry you

FINAL: D# C# G# (x12)
