

**Havent Even Kissed**  
**Moriah Peters**

Capo #4

**G**                    **D/F#**                    **Em7**    **Cadd9**  
I have been waiting patiently  
**G**                    **D/F#**                    **Em7**                    **Caad9**  
I locked up my heart, gave God the key  
**G**                    **D/F#**                    **Em7**                    **Cadd9**  
And Ive had to trust Him for a while  
**G**                    **D**                    **Cadd9**  
But now I cant see you and not smile

**G**  
I didnt think we could get here  
**D/F#**  
Now Im believing  
**Em7**  
Before we met  
**Cadd9**  
The world said I was dreaming  
**G**                    **D/F#**  
This feeling is something from Heaven  
**Em7**                    **Cadd9**  
Beautifully more than I couldve imagined  
**G**                    **D**                    **Cadd9**  
And I have always prayed for something like this  
**G**  
And we havent even kissed

(**G**, **D/F#**, **Em7**, **Cadd9**)

**G**                    **D/F#**                    **Em7**    **Cadd9**  
Sometimes you seemed so out of reach  
**G**                    **D/F#**                    **Em7**                    **Cadd9**  
I held onto hope but I still felt lonely  
**G**                    **D**                    **Cadd9**  
Then I gave God the pen to write this love story

**G**  
I didnâ€™t think we could get here  
**D/F#**  
Now Im believing  
**Em7**  
Before we met  
**Cadd9**  
The world said I was dreaming
