

**Speechless**

**Morning Parade**

**Fmaj7** **Am** **G**  
Twenty seconds on the backlog, overtime  
Just twenty seconds til we re swept by the tide  
We re treading water in the dead of night  
And we re speechless, just speechless

**Dm** **Am** **G** **F**  
Cause you ve got me right where you want me  
**Dm** **Am** **G**  
As a tsunami tide rolls over  
**Dm** **Am** **G** **F**  
The landscape that we built a home in  
**Dm** **Am** **G**  
Inside of our minds

**Fmaj7** **Am** **G**  
We re staring skywards waiting for a sign  
Up to our necks in it til the day brings us light  
And our whole lives are flashing before our eyes  
And we re speechless

Cause you ve got me right where you want me  
As a tsunami tide rolls over  
The landscape that we built a home in  
Inside of our minds

**Dm** **Am**  
So we fall and we break  
**Fmaj7** **G**  
And we make the same mistakes  
**Dm** **Am** **Fmaj7** **G**  
Like we always, always do  
And we crawl, intertwined  
Forced apart from the inside  
Like we always, always knew

**Fmaj7** **Am** **G**  
And I m speechless  
Just speechless

**Fmaj7** **Am** **G**  
Twenty seconds on the backlog, overtime  
Just twenty seconds til you re no longer mine.
