

**Whisper**  
**Morphine**

youll need to tune your A string down so that its 7th fret matches your open G string.  
is the tuning mark used on his 2 string slide bass.

-----	(every other time
-0--03b-00-2-2-5-2-3-3-6-6-6-6-6-6-----	it slides up to the
-----	9th fret instead of
-----	sliding out)

dont worry im not lookin at you....
