

Get Off The Stage
Morrissey

[Verse]

D **A**
Oh, you silly old man
 D **A**
You silly old man
 D **A**
You re making a fool of yourself
 G **A** **D**
So get off the stage

[Verse]

D **A**
You silly old man
 D **A**
In your misguided trousers
 D **A**
With your mascara and your Fender guitar
 G **A** **D**
And you think you can arouse us?

[Chorus]

A
But the song that you just sang
 Bm **G**
It sounds exactly like the last one
 D
And the next one
 G
I bet you it will sound
 A
Like this one

[Verse]

D **A**
Downstage, and offstage
 D **A**
Don t you feel all run in?
 D **A**
And do you wonder when they will take it away?
 G **A** **D**
This is your final fling

[Verse]

D **A**
But then applause ran high
 D **A**
But for the patience of the ones behind you

D **A**
As a verse drags on like a month drags on
G **A** **D**
It s very short, but it seems very long

[Chorus]

A
And the song that you just sang
Bm **G**
It sounds exactly like the last one
D
And the next one
G
I bet you it will sound
A
Like this one

[Verse]

D **A**
So, get off the stage
D **A**
Oh, get off the stage
D **A**
And when we get down off of the stage
G **A** **D**
Please stay off the stage - ALL DAY!

[Verse]

D **A**
So, get off the stage
D **A**
Oh, get off the stage
D **A**
And when we ve had our money back
G **A** **D**
Then I d like your back in plaster

[Chorus]

A
Oh, I know that you say
Bm **G**
How age has no meaning
D **G**
Oh, but here is your audience now
A
And they re screaming:

[Verse]

D **A**
Get off the stage
D **A**
Oh, get off the stage
D **A**

Because I ve given you enough of my time

G A D

And the money that wasn t even mine (Have you seen yourself recently?)
