

Hold On To Your Friends
Morrissey

Hi everyone.

Here s the tab for Hold on to your friends Of my favourite singer, Morrissey. As you may see, i couldn t transcribe the main part, and the intro is very basic and needs improvment too, but i guess that it s better than nothing :).

Intro :

There are tw guitars in the intro, an electric one and an accustic one. The electic plays that :

```
E- |-----|
B- |-----|
G- | -2---4---5-----0---4---5-----4---5-----|
D- |-----3-----|
A- |-----|
E- |-----|
```

And the accustic plays that :

```
E- | -3-----5-----0-----|
B- |-----|
G- |-----|
D- |-----|
A- |-----|
E- |-----|
```

and after that he stars to sing. Here are the chords, they sound ok, but i could define one of them, and i called him C?. You can post me the name of it. Anyway, here they are.

```
