

I Wish You Lonely
Morrissey

[Intro] **F#m E**

F#m E F#m E
I wish you lonely if only for one day
C#m D
So that you might see routine for me
C#m D E
Since the day I was born, born

F#m E F#m E
Think of yourself only of everything you demand
C#m D
Or you want and you need and to hell
C#m D E
To hell with everybody else, everybody else

F#m E F#m E
Turn the key slowly remember how I can't sleep
C#m D C#m
Or if ever I do, an earthquake an earthquake
D E (F#m E) (C#m D) E
Oh! Couldn't agitate, couldn't agitate

F#m E F#m E
Tombs are full of fools who gave their life upon command
C#m D
Of monarchy, oligarch, head of state, potentate
C#m D E
And now? never coming back, never coming back

F#m E F#m E
Tombs are full of fools who gave their life upon command
C#m D C#m
Of Romance gone wrong he same old glue
D E
And? never coming true, never coming true

F#m E F#m E
Tombs are full of fools who gave their life upon command
C#m D C#m
Oh heroin, heroin, heroin, heroin, heroin
D E
And? never coming back, never coming back

F#m E F#m E
I wish you lonely like the last tracked humpback whale
C#m D C#m

Chased by gunships from Bergen

D

E

F#m

But never giving in, never giving in
