               G#
Why change now? It hasn t!
Chorus:
              G#
now this might disturb you but
          C#m B F#
I find I m OK by myself
And I don t need you
         G#
Or your benevolence to make sense

E
After all these years I find I m OK by myself
And I don t need you
       G#
or your homespun philosophy
no no no no
                        G#
This might make you throw up in your bed
   C#m B
             F#
I m OK by myself and I don t need you
           G#
and I never have, I never have
